The Pre-Born Can't Wait!

"Withhold not good from them to whom it is due, when it is in the power of thine hand to do it." Proverbs 3:27

Mr. Evers,

As Governor of Wisconsin, you coined the phrase, "Healthy Mothers-Healthy Babies." We declare the self-evident truth that aborted babies can in no way be considered healthy babies. To be healthy, one must be alive. As a Democrat, you claim to be a defender of "the little guy." There is no person smaller, and in more need of support than a pre-born baby. Pre-born babies are murdered by the abortion procedure. If you care about people who may die from Covid-19, then you should care about preborn babies with their whole life ahead of them.

The Constitution Party of Wisconsin reminds you that the first duty of the law is to punish and proscribe the shedding of innocent blood.

We the undersigned are asking you to put an immediate stop to the practice of abortion here in Wisconsin. **The pre-born won't survive the "abortion procedure," the pre-born can't wait.**

Sincerely, We the Citizens of Wisconsin
